Anas Wadood

Data verification officer at Prima Systems, LLC
Lahore, Punjab, Pakistan

Summary

Sc in Computer Science and I have the ability to work well under
pressure as well as having a keen eye for detail,
In addition to this, I possess good analytical skills & interpersonal
skills with the ability to interact effectively across the boundaries
of organization level management including, clients/customers,
colleagues, suppliers etc. , i can take direction well but also believe
that there is always room for improvement both personally &
professionally. Therefore if given a chance i would prove myself as
a valuable asset for an organization. To be dedicated to my work
will give you confidence that I can deliver successfully within the
constraints
